### District Reorganization and Board Reduction to be Discussed at Annual Meeting

The Golden Growers Board of Directors has reviewed options to reorganize Districts and reduce the number of Board members. While they have not endorsed a change, they did select a preferred plan to discuss with Golden Growers members. The option to be presented would: a) Reduce districts from 5 to 3; b) Reduce the Board from 15 members to 9 members; and c) Allow for 3 Board members to be elected at large.

It is the intention of the Board to present this option at the annual meeting and obtain feedback from members. A survey to gauge member reaction will also be distributed so that those not attending the annual meeting can weigh in. Based on responses, the Board may present an amendment to GGC Bylaws in March of 2019.

### The 199A Federal Tax Provision and Golden Growers Cooperative

Since the passage of federal tax legislation, a great deal of consternation has ensued about the 199A provision for cooperatives authored by Senators Hoeven and Thune. In oversimplified terms, **producers who sell to a cooperative may deduct 20% of gross receipts from their business income compared to a 20% deduction against net income for sales to private firms.**

**GGC members are wondering if Method A deliveries qualify under this provision. The answer is NO.** Because GGC is formed as a MN 308B cooperative, our tax identify is that of a partnership that does not qualify under this provision.

It is unclear if this tax law, with unintended consequences, can be resolved any time soon. Cooperatives want similar treatment to the older 199 provision AND parity with a 40% corporate tax cut to private entities. Stakeholders are meeting, but as of publication, no agreement has been reached. If a fix can be agreed to, it must then be attached to legislation that passes both houses of Congress - a somewhat difficult task. Meanwhile, a great deal of market disruption and 'sham' coop development may occur. For more detailed information about Section 199A, visit [www.goldengrowers.com](http://www.goldengrowers.com).

### Five District Directors to be Elected at March 29th Annual Meeting

At our Annual Meeting, Members have the opportunity to re-elect or elect Directors to serve on the GGC Board of Directors. Current directors up for re-election are: **Gary 'Butch' Jirak**, Breckenridge, MN (NE District); **Larry Vipond**, Herman, MN (SE District); **Scott Jetvig**, Hawley, MN (EC District); **Bruce Speich**, Milnor, ND (SW District); and **Les Nesvig**, LaMoure, ND (NW District).

Any member in good standing is eligible to be nominated for the Board in the district where their membership is registered. If you are interested in serving on the Board and want to be listed on the ballot for your District, you must file a petition with signatures of at least 10 members from your District no later than five days in advance of the annual meeting. Candidates may be nominated from the floor, but their names will not appear on the ballot. ### Golden Growers K-1 Tax Forms

Golden Growers K-1 Tax forms are in the mail. Unlike 1099s, issuing K-1 tax forms requires Golden Growers to close the year, begin our annual audit, and complete our tax return. Because we understand the need to timely issue a K-1 for our farmer members, our K-1 is issued as soon as is humanly possible. Thank you for your patience. If for some reason, you do not receive your K-1 tax form, give our office a call.
